Prayer of the week - Spencer and Elsie

Dear God

Thank you for our mums who help us
in life, for their caring hearts and love. Thank you for the
fun memories we have made along the way.

We pray for more heart warming memories and fun together.

Amen

Pupil Voice: "Our class news"

Mars: we have learnt about 8,9 and 10 on fresh air Friday. – I was Angelina Ballerina from World Book Day - Carmen

Jupiter We planted beans by putting them in a clear plastic bag with water to see if they grow. They need light to grow. They need to light to grow. We have also been learning about doubles in maths, I find it fun. Tabitha

Saturn: We have been busy, we did some archery for a competition, world book day we really good. We have been practicing and rehearsing our play.

Neptune: This week in Neptune we have had a debate about the fate of a cow. There were three teams, one team had to judge and vote. The other teams were debating why the cow should die or live. This week we also had world book day and we dressed up in our favourite characters from a book. - Oliver

Comic Relief

On Friday 15th March, we will be raising money to support comic relief. We will be holding a dress in red day. Come to school in as many red items as possible. If you feel able, please bring a small donation to support our fundraising.

World Book Day

As always the staff and children at Cavendish Church of England Primary School have really enjoyed dressing up yesterday and enjoyed story stations in the afternoon which were delivered by some amazing volunteer readers.

Emma Wiggs MBE

Emma grew up in Watford and throughout her schooling was very active, excelling at hockey. When she was 18, she went on a GAP year to Australia and contracted a virus that left her with irreparable damaged nerves in her legs. Despite this life changing event Emma was determined to pursue her chosen career as a PE teacher, studying Sports Science and gaining a PGCE in secondary PE, she started work in West Sussex in 2004.

Emma won the first ever gold medal in the Women's Va'a Single 200m (VL2) at Tokyo 2020 - a newly added discipline to the Games - powering home in a personal best 57.028 as the only athlete to go sub-one minute. She also won silver in the KL2 event behind teammate Charlotte Henchaw.

She has won a total of eight World Championships and an incredible five European Championships medals throughout her successful career in Para canoe.

1. How do you think she felt when she won?
I think she got really proud of herself and also a bit emotional.

2. What question would you ask her?
How did what went ~~through~~ your mind when you realised anything is possible when you try?
I persevered because I know once I finished I would be really proud of my self.
