## Pupil Voice: "Our class news"

Mars: 'We have played with animals. We have read The colour monster. I like the colour monster because it's colourful.' Carmen
Jupiter: "We have been learning about deserts and savannahs in Handa's surprise. We have been looking at nouns. In year 2 maths we have worked with numbers to 50 "- Henry
Saturn: "We have been doing Hockey in PE, I really enjoyed it. We have new big maths books and we have been learning our timestables." - Billy
Neptune: "This week we did A LOT, as it was our first week: I'd say it was exciting. My favourite part would be when we explored the old artefacts from WW2. My favourite artefacts would be the bicycle light and the tea spoon. The light had a black our cover for when some said "LIGHTS OUT", you would then cover the light. I also liked the spoon because it isn't like normal tea spoon. It is a very posh looking spoon, it has a pretty pattern on it, like it was a metal shell. Times table rock stars is a really big help for me, it repeats the same questions so you can remember them in the future" -Elsie

## School News

## Parentmail, permission and forms

Thank you to parents and carers that have registered and downloaded the parent mail app, I hope you are finding it a simple platform. We are still waiting for some permission forms to be completed. Please contact Miss Jackson if you need any guidance on how to use the platform.

## After School Clubs

After school clubs start next week. We are delighted with the response. There is still space on the family fitness club, so if you have a Thursday afternoon free do drop in.

## Data collection sheets

Data protection sheets have been sent home, please review and correct any updated information and send back in to school.

## School Volunteers

We encourage volunteers who have time to commit to a regular session to volunteer at our school. This helps to widen our offer and experiences to children. We are grateful to our volunteers who run the school library and who will be accompanying Miss Wass as we resume our visits to Devonshire House. The Open the Book team who support Worship are all volunteers. We are still seeking volunteers to help with:

Forest School - Tuesdays 1-3 pm
Individual reading - afternoons preferred, flexibility of day
Fresh Air Friday - Fridays 9-10am
If you are able to offer your support with any of these, please contact the office. Please note that we follow and apply Safer Recruitment practise to all volunteers in school and you will need to provide a referee and undergo DBS check. Safeguarding and induction training will be provided on site.

If you would like to support the school, but are unable to commit to a weekly session, please contact the PTFA, cavendishceprimaryptfa@gmail.com who are always keen for additional support.
