Dear Parents and Carers

September 2020

Usually at Cavendish CofE Primary School we offer a wide range of free after school clubs to support children's physical health, wellbeing and creative development. Under current requirements to educate children in bubbles we are restricted in the number of clubs we can offer, as each club can only be accessed by one bubble group.

To support children's social interaction and mindful of the benefits that exercise brings to both physical and mental health, we are offering an after school club to each class. These clubs will be paid for by the school, as we wish to encourage as many children as possible to attend and benefit from them. The activities have been chosen in line with DfE guidance on safe PE practice, and will follow risk assessments for use of equipment, cleaning and social distancing.

We hope to be able to offer creative based clubs later in the term in line with reviewing our offer. Please note that, as an educational activity in a school setting, the planned restrictions of 6 people in a group (effective Monday 14 September) do not apply.
