

Chairs Report 2022/ 2023

This year has been very successful year with regards to fund raising for the school and all the children have enjoyed the events that have been run on behalf of the PTFA, Christingle, school disco, advent fair, wreath making and the strawberry fair to name a few, a lot of work goes into these events on the day and behind the scenes and with that in mind I would like to say thank you to PTFA committee for helping make these event possible.

In total we raised an amazing £2739.29 this past school term, which some money of this has been spent on the children already, The PTFA funds have supported a new Buddy bench for the play ground, this was so that the children can have some quiet time along with any children budding up, I have seen and heard lots of laughter and chit chat amongst the children whilst on the bench, we also purchased a picnic bench with the design of the school through the years to celebrate the school 160th anniversary. The library has also had a a lot of money spent on with books being updated for all year groups to enjoy.
