Instagram Launch

We are very excited to invite you to join our new school Instagram account. We will send out joining details very soon.

Social media is an integral part of 21st century life and we are looking forward to using it to share with families photos which celebrate what is going on in school from children's work and play to special event days. It is a very exciting opportunity for us to start communicating and sharing information with families in a new way. The account will be private and only for members of our school community.

Social media does come with implications in which we must safeguard children. **Please send us your photo permissions via parentmail forms.** If you have any questions please do not hesitate to contact the school office.

Neptune Trip to Duxford

Neptune class enjoyed a full day of exploring and activity at Duxford Air museum this week. The children dressed as evacuees and ate a rationed lunch. The trip was to enrich this term's topic of World War II.
